

# AVCAL D.PLUS

CALCIUM, PHOSPHOROUS WITH VITAMINS D<sub>3</sub> & B<sub>12</sub>  
FOR ANIMAL HEALTHCARE

## ENRICHED FORMULA

### Composition:

#### Each 100 ml contains:

|                   |         |
|-------------------|---------|
| Calcium           | 1700 mg |
| Phosphorous       | 850 mg  |
| Vitamin D3        | 8000 IU |
| VITAMIN B12       | 100 mcg |
| Magnesium         | 5 mg    |
| Carbohydrate base | q.s.    |

**Banana flavoure**

**Colour:** Amaranth Ponceau 4R

Provide Calcium and Phosphorus in Bio-Available form for Better Milk Production

### Indications :

- Increase milk yeild.
- Improves muscular & skeletal strength.
- Promotes Growth & Stamina.
- Helps in protein synthesis.
- Prevents milk fever and rickets in cattle
- Helps in mastitis prevention Improves skeletal and muscular strength of cattle .
- Makes Stronger Bones & Prevents bones related disease in Cattle and poultry.
- Improves egg production and egg shell strength in poultry.
- Prevents legs weakness in broilers, breeders and layers .
- Improves overall Growth & Hatchability in broilers, breeders and layers.

### Direction for use:

|                         |                                   |
|-------------------------|-----------------------------------|
| <b>Cattle</b>           | 10-120 ml.<br>Daily for 8-10 days |
| <b>Poultry</b>          | Per 100 birds.                    |
| <b>Chicks</b>           | 10 ml.<br>Daily for 8-10 days.    |
| <b>Growers/Broilers</b> | 25 ml.<br>Daily for 8-10 days.    |
| <b>Layers</b>           | 50 ml.<br>Daily for 8-10 days.    |

### Shelf Life:

24 months from date of manufacturing

### Pack:

1 Litre, 2 Litre, 5 Litre & 10 Litre  
Also available in Milk Can (Kitly)

### Origin : INDIA

For Growth, Maintenance,  
Productivity & Performance

Feed Supplement for Prophylactic  
use in animal Only

Keep in a cool, dry and dark place  
Not for Medicinal Use  
Animal Feed Supplement Only
